

Impact Pathway Milestone Decision Tree

Communities of Resilience & Excellence®

START HERE

Are you currently working in a cross-sector team on shared priorities?

No

Milestone 1: Build Your Team for Long-Term Success

You'll form the right cross-sector team, define your shared mission and vision, build trust, and align around baseline data.

Do you have a clear understanding of what's currently happening in your community, backed by both data and resident input?

Yes

No

Milestone 2: See the Whole Picture

You'll gather data, listen to residents, and build a shared picture of your community's challenges, assets, and root causes.

Yes

Have you developed a Community Strategic Plan and coordinated your team around a focused, goal-driven approach?

No

Milestone 3: Plan for Impact

You'll prioritize what matters most and create a strategic plan with clear goals, actions, roles, and a way to stay coordinated.

Are you actively implementing strategies from your plan and using data to track progress?

Yes

Milestone 4: Put Your Plan Into Practice

Yes

You'll put your strategies into action, test new ideas, and use data to track progress and adjust as needed.

Milestone 5: Sustain, Celebrate, and Scale What Works

You'll strengthen what's working, share success, and embed your approach into systems for long-term impact.

Is your team focused on sustaining progress, spreading success and embedding the work into broader systems?

No

Yes
